Tracking the Stars - a guided tour through the LANXESS arena

Share the stage of the Stars, visit the backstage dressing room and the artists' areas, and take a look at our exclusive VIP boxes!

During our guided tour learn fun facts about the LANXESS arena, its diverse events, its history and its little stories!

Explore areas normally not open to public! And ask what you always wanted to know about big-scale arenas!

Afterwards, why not reflect on your impressions over a cup of coffee in the Henkelmännchen?

We are looking forward to your visit!
